- Movies and pop culture
- Dancing
- Space and Physics
- Recording myself and world

## LANGUAGES

- English
- Hindi

## PROFILE

I'm someone who likes to understand things deeply whether it's people, ideas, or my own thoughts. I value honesty and discipline, and I try to stay grounded even when things around me move fast. I notice the small details that others often miss, and I believe growth comes from awareness, not shortcuts. Creativity for me isn't about being loud; it's about expressing something real with clarity and intent.

## EDUCATION

<b>DAWN VASCO SCHOOL</b>	2010-2021
• Hightschool (10 <sup>th</sup> ) - 89%
